

How to find us

From the Northeast

Approach Carlisle from the A69, and follow the directional instructions below.

From the North or South

From the M6, exit at junction 43 for Carlisle (A69). Head into Carlisle along Warwick Road. Turn left at the traffic lights-into Greystone Road (there is a post office/grocery store on the corner). Turn right into Fusehill Street (newsagents on the corner), St Martin's Campus is the second entrance on the right of the former City Hospital site.

By Rail

Carlisle is on the West Coast main-line route from London to Glasgow and also has a direct, cross-country connection to Newcastle. It is, therefore, readily accessible by train. The Railway Station is a fifteen-minute walk or a £3 taxi ride, whilst the bus station is about a twenty-minute walk. The campus is on a main, local bus route.

By Coach

National Express operates services to Carlisle from all major cities.

For further information call **08705 80 80 80**, or visit **www.gobycoach.com**

There are regular bus services from Newcastle. For further information call **0870 608 2608** or visit **www.cumbria.gov.uk/travel**.

By Air

The nearest airport is Newcastle Airport.

The airport is close to a rail station with direct services to Carlisle.

Car Parking

Please note that parking is limited on site. Visitors should use the Pay and Display parking. For those visiting by invitation parking may be booked in advance. There are two public car parks within five minutes of the campus.

Carlisle Campus Guide

Carlisle Campus

A vibrant historic city

What we offer

Our Carlisle Campus is on its own self-contained site, and is only around ten minutes walk from the town centre. The main buildings are 19th century on the outside, but 21st century on the inside as they have been refurbished to a very high standard, with well-designed, modern interiors that provide up-to-the-minute teaching and learning spaces. A range of new buildings has been added which house the Students' Union activities, on-site accommodation and an impressive new £1m sports centre.

Accommodation

Our on-campus hall of residence provides spacious, airy accommodation in 85 en-suite rooms. In addition, you can take advantage of our Headlease accommodation; houses within easy walking distance of the campus, which the College rents on your behalf.

Sport

The Sports Centre, newly opened in September 2003, provides a teaching base for the new PE degree at Carlisle and an excellent recreational facility for all students based at the Carlisle Campus. It comprises a large four-court sports hall – ideal for basketball, badminton, indoor football and aerobics classes – a spacious state-of-the-art fitness room containing joggers, steppers, rowers, cross trainers and bikes as well as a variety of resistance machines and free weights.

What else is available?

A short walk into town opens up loads of possibilities for your leisure time. Much of the social scene is based around the cafés, pubs and clubs, many of which have specially discounted student nights. There are music and drama events held throughout the year at the city's key venues: the Cathedral, the Tullie House Museum and Art Gallery, the Stanwix Arts Theatre, and the multi-purpose Sands Centre, which has everything from sports and leisure facilities, pop and rock groups to ballet and classical music productions. A multiplex cinema is also within easy reach of the campus. There is also a swimming pool and athletics track, golf course and a leisure centre, just a twenty minute walk from the campus.
